WHAT IS ?

The Food Marketing, Industry and Distribution Chamber (MIDA) is the only business entity in Puerto Rico that represents the food sector.

Our members are the Retailers, Distributors, Processors, Wholesalers and Agribusinesses of the island.

Our organization promotes measures of great social and economic scope for the food industry.

We actively participate in the process of approval of laws that have an impact on Puerto Rico's food industry. We also, facilitate to our members a strong educational program & networking events.

OUR AUDIENCE

MIDA Conference & Food Show is a first class expo, designed to maximize business exchange and celebrate social networking events. In addition, we offer workshops and seminars with international speakers of the highest level.

For three days, the city of San Juan, Puerto Rico, becomes the venue for the biggest event of the food industry in the Caribbean where exchanges between suppliers, sellers, buyers, wholesalers and retailers are promoted.
